Feedback Report AY 2018-19

Feedback From Alummi On Curriculum:

- i) **Applicability/relevance to real life situations & local developmental needs-**
Out of the 17 responses recorded the 40% of responses are in favour of the excellent option while 47% of responses are in favour of good option.
- ii) **Weightage given to Employability:**
Out of the 17 responses recorded the 29% of responses are in favour of the excellent option while 41% of responses are in favour of good option. 23% of responses are satisfactory and 5% responses are opted for the unsatisfactory option.
- iii) **Weightage given to Entrepreneurship:**
Out of the 17 responses recorded the 35% of responses are in favour of the excellent option while 58% of responses are in favour of good option. 5% responses have opted for the satisfactory option.
- iv) **Weightage given to skill development:**
Out of the 17 responses recorded the 47% of responses are in favour of the excellent option while 47% of responses are in favour of good option. 5% responses have opted for the satisfactory option.
- v) **Weightage given to Project:**
Out of the 17 responses recorded the 47% of responses are in favour of the excellent option while 52% of responses are in favour of good option.
- vi) **Weightage given to practical and field work component :**
Out of the 17 responses recorded the 35% of responses are in favour of the excellent option while 52% of responses are in favour of good option. 11 % responses have opted for the satisfactory option.
- vii) **Depth of the course content:**
Out of the 17 responses recorded the 35% of responses are in favour of the excellent option while 64% of responses are in favour of good option.
- viii) **Inclusion/incorporation of latest advancements in the subject:**
Out of the 17 responses recorded the 29% of responses are in favour of the excellent option while 52% of responses are in favour of good option. 17 % responses have opted for the satisfactory option.
- ix) **Difficulty level of course content:**
Out of the 17 responses recorded the 23% of responses are in favour of the excellent option while 58% of responses are in favour of good option. 17 % responses have opted for the satisfactory option.
- x) **Optimization of course content:**
Out of the 17 responses recorded the 23% of responses are in favour of the

excellent option while 64% of responses are in favour of good option. 11 % responses have opted for the satisfactory option.

xi) Usefulness of Curriculum at workplace:

Out of the 17 responses recorded the 70% of responses are in favour of the excellent option while 4% of responses are in favour of good option. 5 % responses have opted for the satisfactory option.

xii) Fulfillment of Learning Objectives:

Out of the 17 responses recorded the 47% of responses are in favour of the excellent option while 52% of responses are in favour of good option.

xiii) Level of Course Outcomes:

Out of the 17 responses recorded the 41% of responses are in favour of the excellent option while 58% of responses are in favour of good option.

xiv) Weightage given to Learning Values (in terms of Knowledge, Concept, Manual Skills, analytical abilities and broadening perspectives) :

Out of the 17 responses recorded the 47% of responses are in favour of the excellent option while 52% of responses are in favour of good option.

xv) Quality, Clarity And relevance of textual reading /reference material/study Material:

Out of the 17 responses recorded the 41 % of responses are in favour of the excellent option while 52% of responses are in favour of good option. 5 % responses have opted for the satisfactory option.

xvi) Creation of interest to pursue higher education:

Out of the 17 responses recorded the 47% of responses are in favour of the excellent option while 52% of responses are in favour of good option.

xvii) Weightage given to practical, field work component.

Out of the 17 responses recorded the 23% of responses are in favour of the excellent option while 70% of responses are in favour of good option. 5 % responses have opted for the satisfactory option.

xviii) Measures to additional understanding of difficult course content to slow Learners:

Out of the 17 responses recorded the 17% of responses are in favour of the excellent option while 76% of responses are in favour of good option. 5 % responses have opted for the satisfactory option.

xix) Overall Rating:

Out of the 17 responses recorded the 52% of responses are in favour of the excellent option while 47% of responses are in favour of good option.

Feedback Report AY 2018-19

A) 2018 - 2019 Feedback From Parent On Curriculum :-

- i) Suitable design of curriculum -**
Out of the 102 responses recorded the 49% of responses are in favor of the excellent option while 46% of responses are in favor of good option. 4% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.
- ii) Relevance of course content to the local needs -**
Out of the 102 responses recorded the 42% of responses are in favor of the excellent option while 52% of responses are in favor of good option. 5% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.
- iii) Promotion of learning experience of the students -**
Out of the 102 responses recorded the 42% of responses are in favor of the excellent option while 49% of responses are in favor of good option. 9% of responses are satisfactory and 0% responses are opted for the unsatisfactory option.
- iv) Focus on Employability -**
Out of the 102 responses recorded the 37% of responses are in favor of the excellent option while 50% of responses are in favor of good option. 11% of responses are satisfactory and 2% responses are opted for the unsatisfactory option.
- v) Weightage given to practical and field work component -**
Out of the 102 responses recorded the 35% of responses are in favor of the excellent option while 51% of responses are in favor of good option. 13% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.
- vi) Inculcation of moral values -**
Out of the 102 responses recorded the 35% of responses are in favor of the excellent option while 54% of responses are in favor of good option. 10% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.
- vii) Applicability/relevance to real life -**
Out of the 102 responses recorded the 42% of responses are in favor of the excellent option while 42% of responses are in favor of good option. 14% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.
- viii) Weightage given to entrepreneurship/Skill -**
Out of the 102 responses recorded the 48% of responses are in favor of the excellent option while 40% of responses are in favor of good option. 11% of responses are satisfactory and 2% responses are opted for the unsatisfactory option.

ix) Incorporation of recent changes/latest developments of subject in the curriculum -

Out of the 102 responses recorded the 35% of responses are in favor of the excellent option while 56% of responses are in favor of good option. 9% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.

x) Optimization of course content -

Out of the 102 responses recorded the 37% of responses are in favor of the excellent option while 54% of responses are in favor of good option. 8% of responses are satisfactory and 2% responses are opted for the unsatisfactory option.

xi) Promotion of research attitude -

Out of the 102 responses recorded the 45% of responses are in favor of the excellent option while 45% of responses are in favor of good option. 8% of responses are satisfactory and 2% responses are opted for the unsatisfactory option.

xii) Importance of learning values -

Out of the 102 responses recorded the 40% of responses are in favor of the excellent option while 55% of responses are in favor of good option. 4% of responses are satisfactory and 1% responses are opted for the unsatisfactory option.

xiii) Overall rating -

Out of the 102 responses recorded the 46% of responses are in favor of the excellent option while 44% of responses are in favor of good option. 7% of responses are satisfactory and 2% responses are opted for the unsatisfactory option.

Feedback Report AY 2018-19

A) Feedback From Students On Curriculum:

i) Applicability/relevance to real life situations & local developmental needs-

Out of the 279 responses recorded the 58% of responses are in favour of the excellent option while 37% of responses are in favour of good option. A very few responses have opted for the satisfactory option .

ii) Weightage given to Employability:

Out of the 279 responses recorded the 39% of responses are in favour of the excellent option while 55% of responses are in favour of good option. A very few responses have opted for the unsatisfactory option.

iii) Weightage given to Entrepreneurship:

Out of the 279 responses recorded the 46% of responses are in favour of the excellent option while 43% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

iv) Weightage given to skill development:

Out of the 279 responses recorded the 38% of responses are in favour of the excellent option while 52% of responses are in favour of good option. A very few responses have opted for the unsatisfactory option.

v) Weightage given to Project:

Out of the 279 responses recorded the 50% of responses are in favour of the excellent option while 41% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

vi) Weightage given to practical and field work component :

Out of the 279 responses recorded the 39% of responses are in favour of the excellent option while 50% of responses are in favour of good option. A very few responses have opted for the unsatisfactory option.

vii) Inclusion/incorporation of latest advancements in the subject:

Out of the 279 responses recorded the 44% of responses are in favour of the excellent option while 45% of responses are in favour of good option. A very few responses have opted for the unsatisfactory option.

viii) Difficulty level of course content:

Out of the 279 responses recorded the 39% of responses are in favour of the excellent option while 46% of responses are in favour of good option. A very few responses have opted for the satisfactory.

ix) Fulfillment of Learning Objectives:

Out of the 279 responses recorded the 36% of responses are in favour of the excellent option while 50% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

x) Level of Course Outcomes:

Out of the 279 responses recorded the 40% of responses are in favour of the excellent option while 50% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

xi) Weightage given to Learning Values (in terms of Knowledge, Concept, Manual Skills, analytical abilities and broadening perspectives) :

Out of the 279 responses recorded the 42% of responses are in favour of the excellent option while 49% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

xii) Quality, Clarity And relevance of textual reading /reference material/study Material:

Out of the 279 responses recorded the 46 % of responses are in favour of the excellent option while 46% of responses are in favour of good option. Few responses have opted for the satisfactory option.

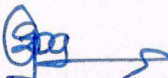

xiii) Creation of interest to pursue higher education:

Out of the 279 responses recorded the 45% of responses are in favour of the excellent option while 45% of responses are in favour of good option. A very few responses have opted for the satisfactory option.

xiv) Overall Rating:

Out of the 279 responses recorded the 45% of responses are in favour of the excellent option while 46% of responses are in favour of good option. A very few responses have opted for the satisfactory option.
