2.1.1.1. Number of seats filled year wise during last five years (Only first year admissions to be considered)

1. HEI is requested to kindly note that the number of the students admitted on the General category (Total as well as program-wise) should not be more than the number of the seats sanctioned. Please relook and provide the correct revise data.

Response :

- 1) **The number of the students admitted on the General category (Total as well as program-wise) are not more than the number of the seats sanctioned except for the Programme BA Fashion Dress Design.**
- 2) **The Programme BA Fashion Dress Design is an unaided, Self-financing course. As is indicated in the data sheet for the last five years, the number of students admitted from OBC category are less than the seats earmarked and the number of students admitted from ST category are 0 as no applications received form ST category. Hence the seats earmarked for ST/OBC category have been filled primarily from SC Category and remaining from the General Category. Hence the seats admitted from General Category exceed the seats earmarked only in case of BA Fashion Dress Design. Otherwise, the number of the students admitted on the General category (Total as well as program-wise) are not more than the number of the seats sanctioned. Please consider.**

Please find the students admitted Total as well as category wise in the link.

2. Kindly note that the data for the number of the seats sanctioned is not matching in the attached document (sanction letter) and in the prescribed data template and in the HEI input. Please relook and provide the correct revise data.

Response :

AY	2017-18	2018-19	2019-20	2020-21	2021-22
Seats as per University sanction letter	1330	1330	1540	1330	1560
HEI Input	1338	1106	1228	1088	1140

Justification for the HEI input regarding data not matching:

- 1) In the AY 2017-18, the University sanctioned 10% seats for the BA (General) Programme (462 instead of 420 seats). That is the reason for mismatch in General University Sanction letter and the HEI input.
- 2) The additional divisions (un-aided, self financing) for MA Programmes – Marathi, Hindi and English) are non-functioning since last many years. Even in the AY 2017-18 , the sanctioned seats for MA Marathi and MA English are 160 (Grant-in-aid and un-aided, self financing divisions) whereas the students admitted for Marathi are 112 while for English are only 79.

- 3) Owing to the reducing flow of students seeking admissions to the PG Programmes (Marathi, Hindi and English) for various reasons such as Distance Mode programmes offered by the Open Universities as well as by the Parent University at various places within University affiliated colleges, from the AY 2018-19 no student got admitted in the additional divisions of the respective MA programmes as is evident in the data sheet given herewith for your perusal. But in the University record the additional divisions (un-aided, self financing) have been shown. The HEI has considered only the Grant-in-aid divisions for the MA Programmes – (Marathi, Hindi and English) from the AY 2018-19 onwards. That is the reason why the data for the number of the seats sanctioned is not matching in the attached document (sanction letter) and in the prescribed data template and in the HEI input.
- 4) Moreover, the Certificate Courses like Travel and Tourism have not been functional since its inception due to no admissions. Hence the HEI has not included the seats sanctioned for the Certificate courses. That also is the reason for the mismatch in the data.
- 5) The HEI is a Single Faculty Arts College. The general trend of students seeking admissions to the Arts faculty has slowed down during past few years. The HEI has included only the Grant-in-aid divisions and excluded un-aided, self-financing divisions for the MA Programmes (Marathi, Hindi and English) from AY 2018-18 onwards due to no admissions in the self-financing divisions for the MA Programmes (Marathi, Hindi and English) for the last few years. This is the reason for the data not matching the HEI input and the University Sanction letters. The HEI request for the kind considerations of the justifications put for your kind perusal.

DVV Clarifications.

2.1.1.1- 2) Kindly note that the data for the number of the seats sanctioned is not matching in the attached document (sanction letter) and in the prescribed data template and in the HEI input. Please relook and provide the correct revise data.

HEI Response:

AY	2017-18	2018-19	2019-20	2020-21	2021-22
Seats as per University sanction letter	1330	1330	1540	1330	1560
HEI Input	1338	1106	1228	1088	1140

Justification for the HEI input regarding data not matching:

- 1) In the AY 2017-18 and 2020-21 the University sanctioned additional 10% seats for the BA (General) Programme (462 instead of 420 seats). That is the reason for mismatch in General University Sanction letter and the HEI input.
For the AY 2017-18, 2018-19, 2019-20, & 2020-21 the University sanctioned 20% additional seats to the existing 40 sanctioned seats to the Programme BA Fashion Dress Design.
- 2) The additional divisions (un-aided, self financing) for MA Programmes – Marathi, Hindi and English) are non-functioning since last many years. Even in the AY 2017-18 , the sanctioned seats for MA Marathi and MA English are 160 (Grant-in-aid and un-aided, self financing divisions) whereas the students admitted for Marathi are 112 while for English are only 79.

- 3) Owing to the reducing flow of students seeking admissions to the PG Programmes (Marathi, Hindi and English) for various reasons such as Distance Mode programmes offered by the Open Universities as well as by the Parent University at various places within University affiliated colleges, from the AY 2018-19 no student got admitted in the additional divisions of the respective MA programmes as is evident in the data sheet given herewith for your perusal.

Also the University mandated 24 Credits in respective subjects at UG level to seek admission to PG Programmes. Consequently, the desirous students from other streams viz. B.Com, B.Sc., BCA, BCS, BBA and Open Universities with English and other languages but not securing 24 Credits in the respective language got excluded from admission to the MA Programmes (Marathi, Hindi and English). But in the University record the additional divisions (un-aided, self financing) have been shown. The HEI has considered only the Grant-in-aid divisions for the MA Programmes – (Marathi, Hindi and English) from the AY 2018-19 onwards. That is the reason why the data for the number of the seats sanctioned is not matching in the attached document (sanction letter) and in the prescribed data template and in the HEI input.

- 4) Moreover, the Certificate Courses like Travel and Tourism have not been functional since its inception due to no admissions. Hence the HEI has not included the seats sanctioned for the Certificate courses. That also is the reason for the mismatch in the data.
- 5) The HEI is a Single Faculty Arts College. The general trend of students seeking admissions to the Arts faculty has slowed down during past few years. The HEI has included only the Grant-in-aid divisions and excluded un-aided, self-financing divisions for the MA Programmes (Marathi, Hindi and English) from AY 2018-19 onwards due to no admissions in the self-financing divisions for the MA Programmes (Marathi, Hindi and English) for the last few years. This is the reason for the data not matching the HEI input and the University Sanction letters. The HEI requests for the kind consideration of the justifications put for your kind perusal.
