DVV Clarifications

2.1.2 Percentage of seats filled against reserved categories (SC, ST, OBC etc.) as per applicable reservation policy for the first year admission during the last five years

2.1.2.1. Number of actual students admitted from the reserved categories year wise during last five years (Exclusive of supernumerary seats)

1. HEI is requested to Kindly note that the number of the students admitted (Total as well as category wise) should not be more than the number of the seats earmarked. Thus, the number of the students admitted category wise, more than the number of the seats earmarked, which should not be considered. Please relook and provide the correct revise data.

Response:

The number of the students admitted Total as well as category wise are not more than the number of the seats sanctioned except for the SC category and Others to some extent in a few programmes.

As is indicated in the data sheet for the last five years, the number of students admitted from ST and OBC category are less than the seats earmarked as very few applications received from specifically ST category and OBC Category. Hence the seats earmarked for ST and OBC category have been filled primarily from SC Category and remaining from the General Category.

The Seats earmarked for the Others (NT , VJNT etc) do not exceed in the total students except BA General Programme.

Hence the seats admitted from Total as well as category wise exceed the seats earmarked only in case of SC category and in a few instance in Others category. Otherwise, the number of the students admitted Total as well as category wise is not more than the number of the seats sanctioned.

Please consider.

7. Please provide the Admission extract submitted to the state OBC, SC and ST cell every year for the first year students with seal and signature of the principal to be accurate. As the more seats admitted than the sanctioned be considered as General merit.

Response:

Since, there is a low demand ratio and the HEI admits students to various programmes on the first come first serve basis the HEI does not send the Admission extract pertaining to the state OBC, SC and ST cell or any other cell.

The students from the reserved category need to fill the scholarship forms as per the instructions of the State Govt. to secure scholarships from the State/Central Government. The students pertaining to the various categories eligible for getting scholarship under various scholarship schemes are registered through scholarship portal MahaDBT, Govt. of Maharashtra.
